SELLING

125 Yearling, Fall & Two-year-old Bulls

Schaack Ranch

Amidst the signs of spring, we extend a warm welcome to our 2024 Bull sale. It's with utmost excitement and honor that we acknowledge your interest in our program. Building strong relationships with our customers fills us with pride, and we deeply value the trust you've placed in us to contribute to the success of your ranching program.

We breed bulls with the intent to make a significant impact and propel the progress of your herd forward. Every trait holds significance in our breeding program. We hold high expectations for our females—they must rear robust calves, breed back promptly, and exude exceptional appearance throughout.

Utilizing DNA and EPDs, we consistently propel our female cattle to the highest standards of excellence within the cattle industry. The integration of DNA-enhanced EPDs signifies the future of the Angus breed! At Schaack Ranch, we stand ready to collaborate with you as a dedicated partner in the cattle industry.

Whether it's raising, breeding, managing, or marketing, we're fully committed to assisting you with every aspect of your operation. Feel free to inquire about Targeting the Brand and Top Dollar Angus, strategies we've adopted to demonstrate the superiority of our bulls compared to others. Feel free to reach out with any questions—your inquiries are always encouraged and welcomed.

Our grand kids are flourishing like wildflowers in a sun-drenched meadow. McCrae celebrated his fourth birthday and is filled with boundless energy and infectious laughter. There are days we wish he could borrow some of that energy. As May approaches, we eagerly anticipate celebrating Reiney's second birthday. Her playful spirit and curious nature bring joy to each passing day. It truly is a delight to witness them growing and thriving.

Join us the evening prior for a customer appreciation steak feed, where we'll have the bulls penned for your viewing pleasure. It's an excellent opportunity to mingle, enjoy a hearty meal, and preview the exceptional quality of our bulls up close.
